Alexandria, VA, 22313-1450

Pursuant to 37 CFR 1.97 and 1.98, the references listed on the enclosed Form PTO/SB/08A are submitted for consideration by the Examiner in the examination of the above-identified patent application.

The cited document(s) disclose(s) numerous specific features. There has been no attempt to enumerate each and every feature disclosed by each document, however. The Examiner is requested to review the(se) document(s) and to determine the extent of the materiality of the document disclosure(s), if any, with respect to the present invention.

No inference should be drawn that the attached list represents a comprehensive investigation, or that any disclosure in the listed documents is equivalent to the subject invention. The discussion of any art and the citation of any document(s) herein is not to be construed as an admission that the art or document disclosure(s) is/are necessarily within the invention field of endeavor or is/are necessarily prior in time to a particular date which may be relevant with respect to the instant application. Further, the recitation herein of the art and document(s) is not to be construed as an assertion that more pertinent art could not possibly be in existence, or that the newly cited document(s) is/are necessarily prior art as defined by the patent law.

Applicant(s) reserve(s) the right to later set forth how the claimed invention is distinguished over the disclosure of any document or other art, including the disclosure(s) of the art and document(s) recited herein, and that may be cited by the Examiner in rejecting a claim in the instant patent application.
